

Wanna Tweet?

How do I get started?

- Go to www.twitter.com
- Fill in the boxes to sign up for an account.
- Now you have a Twitter account!

The image shows a screenshot of the Twitter website's sign-up page. A large yellow arrow points from the top right towards the sign-up form. The page features the Twitter logo and the text "Follow your interests" with a subtext: "Instant updates from your friends, industry experts, favorite celebrities, and what's happening around the world." Below this is a search bar labeled "Search Twitter". On the right side, there is a sign-up form with the heading "New to Twitter? Join today!" and three input fields: "Full name", "Email", and "Password". A "Sign up" button is located at the bottom right of the form.

Now, What?

- Create a Twub for your classroom.
- Go to Twubs.com
- Click “Register Your Hashtag.”

The screenshot shows the Twubs website interface. At the top, there is a navigation bar with the Twubs logo (a penguin) and the tagline "#hashtags made useful". Below the logo is a search bar with the placeholder text "# Enter a Hashtag" and a "GO" button. A large yellow arrow points from the top right towards the "Register Your Hashtag!" button in the right sidebar.

Welcome to Twubs!
Twubs are Twitter **groups** built around content aggregated from **#hashtags**.
View the full social landscape of a Twub with tools such as our **Live Tweet Feed** which pulls in external images, videos and links, and our **Tweetups & Events Scheduler**.
Start searching for your favorite topics now and take full advantage of these and many more useful Twub features to **connect** and **share** with people of similar interests.

Sign in to Twubs!

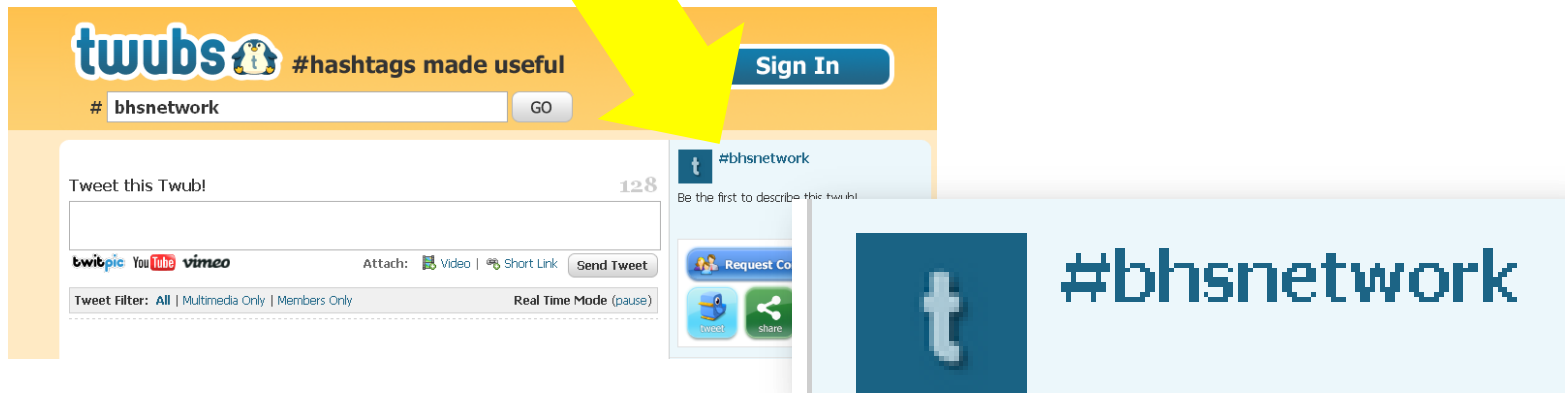

The image shows a screenshot of the Twubs sign-in page. The page has a dark blue background. At the top, there is a 'Sign In' header. Below it, the text 'Use your Twubs login' is displayed. There are two input fields: one for 'Email' and one for a password, represented by a series of dots. Below the password field, there is a 'Remember Me' checkbox and a 'Forgot Password' link. A 'Login' button is located to the right of the password field. Below the login section, the text 'Or sign in using Twitter' is displayed, followed by a 'twitter login' button with the Twitter logo. At the bottom, there is a 'Create a new account' link and a 'SignUp' button with a penguin icon. A yellow arrow points from the top left towards the 'Sign In' header, and another yellow arrow points from the right towards the 'twitter login' button.

- Sign in using your Twitter account.
- DON'T fill in the boxes.
- Instead, click "Twitter login."
- "Authorize Ap" the first time you sign in.

You have your own Twub!

- You should see the title of your Twub here—the hashtag you registered.

The image shows a screenshot of the Twubs website interface. At the top, the Twubs logo is displayed with the tagline "#hashtags made useful". Below the logo, there is a search bar containing the hashtag "#bhsnetwork" and a "GO" button. To the right of the search bar is a "Sign In" button. A large yellow arrow points from the text in the slide to the "Sign In" button. Below the search bar, there is a section for "Tweet this Twub!" with a text input field and a "128" count. Below the input field are links for "bwpic", "YouTube", and "vimeo", along with "Attach: Video | Short Link" and a "Send Tweet" button. At the bottom of this section, there is a "Tweet Filter" set to "All" and "Real Time Mode (pause)". To the right of the main interface, there is a separate box showing the Twitter logo and the hashtag "#bhsnetwork".

You have your own Twub!

- Give students the URL (web address) of your classroom Twub.
- Students register for a Twitter account, and log in to classroom Twub with their Twitter accounts.
- Then, they simply type in box, and click “Send Tweet.”

Tweet Away!

Display classroom Twub on LCD projector to show students' tweets in real time!
